

CAMP Reader's Theater™

Help you students avoid "Summer Reading Loss" in the most fun, engaging, and measurable way!

Minimize or eliminate Summer Reading Loss, and even help close the achievement gap between disadvantaged and advanced students. Camp Reader's Theater™ kits are designed for use over a period of weeks with one story read per week. Playbooks® Reader's Theater curriculum has been proven successful in rapidly building reading skills and avoiding summer reading loss. See the "white paper" report from Washington, D.C. at www.readerstheater.com/outcomes.

This independent report showed that over 85% of students either maintained or increased their reading levels in just 6 weeks! Over 1/3 of these students actually INCREASED their reading levels during this time. Results were confirmed with correlation to students' Fountas & Pinnell scores in the fall term.
